

I

follow

the

rules.

# I follow the rules self portrait comic strip

In this activity, students visualize themselves choosing good behavior. They will demonstrate an understanding of the rules and take ownership of their actions.

Skills: reading, color recognition, scissor cutting, self awareness, socialization

1. Students draw themselves following each of the rules.
2. Students cut along the dotted line.
3. The 4 panel comic strip can be displayed as a permanent visual cue to follow the rules.
